Mark 9:30-37

**PLEASE TAKE NOTE:**

- Next Sunday's **preacher** will be Harvey Howlett, joining us from London in the UK. Harvey is a wonderfully eccentric lay theologian and church leader working in the Church of England.
- Thank you to all who participated in today's AGM. Most of the time was given to a listening circle on our many and varied perceptions and feelings around the **climate crisis**. It was a very worthwhile conversation, and can now be continued on a new dedicated conversation list on our Discord page.
- Today we continue a 5 week **season of creation**, with changes in our liturgy to reflect this ecological focus.
- We are now **"opening the doors" of the Cyber Chapel** to the public so that it is possible for people to join our worship service without having to make contact with us first. This means that the Zoom link for Sundays is now different from the one for weekday prayers.
- There are a number of planning groups that have emerged out of the recent **Open Space Conversation** and they'd all welcome additional contributors. Read the reports and consider what you'd be most excited to be part of making happen. The conversations are ongoing on our Discord discussion space.

*This church meets on the traditional lands of the the Yalukit Willum of the Boon Wurrung language group of the Greater Kulin Nation. We express our gratitude at the sharing of this land; our sorrow for the personal, spiritual, and cultural cost of that sharing; and the hope that we may walk together in harmony in the spirit of reconciliation.*
